UPDATE - DELAYS ANTICIPATED ON GLENWAY AVENUE STREET REHABILITATION

WHAT/WHEN: Street rehabilitation is currently underway for Glenway Avenue from Crookshank Road to Werk Road. The contractor is **John R. Jurgensen Company**. Crews will perform concrete work consisting of the installation of bus pads and curb work.

During the week of October 28, 2002, various sections of the right outbound lane will be blocked while the work is being completed.

During the week of November 4, 2002, various sections of the right inbound lane will be blocked while the work is being completed.

The work is anticipated to cause long traffic delays. The public is urged to seek alternate routes to their destinations.
